

Thanks to MK! Aug 25, 2019 I want to do a clean installation of Win7 and then start to install Tridef 3D. How do I do that without it deleting my drivers and graphics card drivers. How do I get Tridef 3D to recognize drivers, card etc? If I try to use Ignition, I get a message. Download TriDef 3D Ignition for free. TriDef 3D automatically converts DVDs, PC media files and photo files to 3D. If I attempt to install Tridef 3D, I get a message.. I have a Gateway solo x 7405 and have never had this problem before. Oct 19, 2019 * I have a Radeon HD 6970, . I'm going to do a clean Win7 install . So how do I get my Radeon HD 6970 to work with Tridef 3D?? Nov 22, 2019 I used AMD's download for drivers and.. "AMD Radeon (TM) HD 6970 is a PCIExpress Graphics card - fits in a slot next to the CPU - use it with Tridef 3D for amazingly realistic 3D games.". Any further suggestion or help would be greatly appreciated. . Nov 9, 2019 I am using a Ryzen 7 3770k processor and an Intel i7 8700k processor. TriDef 3D Ignition works in both but my older i7 8700k processor is much slower than the newer Ryzen 7. Does anyone know of any other Tridef 3D Ignition versions that I can download? These are the only versions I have tried and none work. I am unable to get Tridef 3D to work in either of my machines after a clean install of Win7. Please help me out. I used a 4k monitor connected to a Nvidia 1080 to view 3D movies on my older i7 8700k, it looked extremely slow with the Nvidia 1080 and no stereoscopic 3D support. . Nov 15, 2019 Windows 10 Pro running on a Ryzen 7 2700X. Drivers are in place. CPU is the only thing I used . Tridef 3D Ignition is installed and I selected Nvidia graphics card.
