
Mount Blade Viking Conquest !!BETTER!! Crackl

Character creation options and their effect on starting stats in Viking Conquest - Version 2.0 - Reforged Edition. Version 2.0, the Reforged Edition of Viking Conquest, was developed by Obsidian Entertainment. This version has improved graphics and added new character creation options (Race, Character and Gender). Currently, these options greatly affect a character's starting stats and skills. There are also new character creation options. More information about them is available here. Changes in version 2.0 - Reforged Edition compared to version 1.1.
