The ancient war between humans and a race of giants resumes when Jack, a young farmhand fighting for the kingdom and the love of the princess, opens the gates . After Jack receives the sword from King Arthur himself, he embarks on a journey in search of healing and peace. Meanwhile, King Arthur, his brother and the Giant Queen are looking for a way to save the world from the giants who seek to take over it in order to avenge the destruction of their world by the ancient people. On his way through the worlds, Jack encounters creatures that wield magic and are members of a group known as The Order. They offer him their power to kill the Giant Queen and save the world.
