Fifa 22 Features Key:

- Create and control your next great team in FIFA 22. Choose from some of the greatest clubs in the world (with over 30 teams available in FIFA Ultimate Team this year), and don't forget to make sure to pick up these player-specific Super Powers to unlock the most explosive Ultimate Team cards in the game:
 - **Adidas Predator Zonal Tactics:** Double the number of shots your players take on goal. Trailing defenders will now be quicker to shield the ball, but also quicker to strike.
 - **Xherdan Shaqiri's Counterpressing ability:** Calmly shift play away from dangerous situations, and reset defenders.
 - **Panenka Penalty Velocity:** Impact: A chance for a rare 'Panenka'-style penalty and the opportunity to create both a goal and an own goal (as additional method of scoring).
Power: Whistle to signal the ball to fly long.
Reach: Send the ball into the air from the ground.
- Play with opponents and improve your team across two complete leagues, plus leagues in Australia, China and India. Test your wits as you aim to outsmart FIFA's smartest opponent AI:
 - **X AI intelligent opponent behaviour:** AI will be more aggressive and unpredictable, reacting to the way you set up the game.

X Define the best tactics for your opponent: Teams will now actively use the available special tactics to out-smart the match AI (X Boost).

X Adjust the small details of your opponent's defending to create disruption and redirection of play.

FIFA Ultimate Team opens up the possibilities in the world of football. The game has introduced a new direction and new way to play. Using the thrill and depth of football and adding new card packs, you can have your path in FIFA no other way than with FIFA Ultimate Team. MyClub - New to FIFA for the first time in years, MyClub is an all-new addition to the series. Manage your teams in seven different leagues and battle for promotion, Europa League glory and more! MyClub brings you the world of football from the fan's perspective, making it easy to follow your favourite team, grow your squad, and unlock the best players in the world. You can also enjoy special game modes like League Season, Cup Season and more. Player Impact Engine - The new Player Impact Engine delivers real-time, data-driven player intelligence to ensure every touch makes a real impact. This enables you to see and understand the game in a whole new way - how a player moves, runs and scores and how they can influence the game. Multi-layered Tactical Analysis - Learn more about the game through detailed data visualisation and tactical feedback. Stats are broken down by position, what you do, and what happens on the pitch. View how a player performed and what this meant tactically, and see exactly how they opened up a chance, when they were pressured, where they could attack the ball. New 'Touch'-based Key System - The new 'Touch'-based Key System expands on the Expected Goal system, analysing the movement, passing and shooting of each player to make realistic decisions on when to defend or attack. This requires players to think more tactically about their opportunities on the pitch and make more intelligent decisions, as actions are rewarded when they fall in line with the tactical flow of the game. AI Director - The AI Director takes the game closer to human for some of the biggest moments in the Champions League and Europa League. For the first time in FIFA, the AI Director can manage a game and really understand the tactics and strategies of your opponent. Based on player roles and strengths and weaknesses, the AI Director delivers some of the best decisions and builds some of the most tactical team line-ups. FIFA Soccer 2K3 TV-show Experience new ways to play FIFA with FIFA Soccer 2K3 and the FIFA TV-show. With the new touch-based gameplay and the new Player
