How to download/open this file? A: Мой
компилятор траблог, не способен обработать
такой формат для чтения. Мой получатель
траблог не работает с ним. Поменял
отправляющий на принтер и для него вот
такой траблог. Просто скопировал бы и
терминал подключил бы все на свой
компьютер (сайт недееспособен). At the present,
various kinds of electronic apparatuses have been
equipped with a digital camera. The digital
camera has been required to realize a larger
number of pixels in the matrix of a solid-state

image pickup device such as a CCD (Charge Coupled Device) or CMOS (Complementary Metal Oxide Semiconductor). In particular, the price of the solid-state image pickup device has been escalated in recent years. Accordingly, in order to realize a solid-state image pickup device with a larger number of pixels, it is necessary to improve the performance of the solid-state image pickup device by adopting a method of manufacturing a plurality of solid-state image pickup devices on a single substrate. However, in order to realize a solid-state image pickup device with more than about one million pixels, it is necessary to provide the manufacturing method of the solid-state image pickup device with a process difference of about a micron or less. In order to manufacture a solid-state image pickup device with more than a million pixels
