So, just to give a little more detail. I have 2 divs one with a value and one with a random value. I'd like the colour of one to change when the values match. I've been reading around and think I need to use the.css() function, but I'm not too sure. My Javascript is: `$(document).ready(function() { //Click to change background $(' .custom-parent').click(function(){ $(this).animate({backgroundColor: "#f00"}); }); });` The html is: Is there anything I'm doing wrong, the live site is at: and the full code (with bonus images) is at:
